Clifton Forge, Va. 24422

Dear Ms. Huffman:

The Clifton Forge Town Council had their regularly scheduled meeting last night. During the meeting, your letter to purchase land adjacent to Clara Howard's home was read and discussed. Council has agreed to accept your offer of \$4000.00 for the land.

A public hearing will need to be scheduled. This will allow the residents in that vicinity to voice any concerns that they might have on your purchase of the land. That hearing will be scheduled for April 13, 2021 at 7:00pm. You are encouraged to attend that public hearing.

Please contact this office should you have any additional questions or concerns.

Sincerely,

Kawahna C. Persinger
Administrative Assistant

February 13th, 2021

To Whom It May Concern,

I wish to purchase the lot of land, adjacent to Clara Howards house, Across the street from Nicelys Funeral Home's Parking Lot. I plan to put a business on the lot, sometime in the near future. I would like to offer \$4000 cash for the lot. I have plans to erect a building to move my existing business into, and also erect a greenhouse.

Thanks for your time.

TOWN MANAGER'S COMMENTS

- Audit from RDS on recycling container. 95 % of the materials taken to Matthews Park were able to be recycled which is very good compared to other localities. It was questioned as to whether another bin could be placed down there for Styrofoam and glass products. Since the extra container has been installed, there is no report of recycled items on the ground or blowing into the neighbor's property. This area will be rechecked again in a couple of weeks.
- There are three (3) vacant seats on the Board of Zoning Appeals (BZA). The Town has received 2 letters of interest for those seats. Upon review, there are other committee members who either have expired terms or their terms will be expiring in the near future. This office will compile a list and reach out to members to see if they would like to serve for another term. This will streamline the process once this office starts to place ads in the newspapers.
- Brooke Brackenridge is the Zoom Coordinator. If anyone would like to receive an invitation for the town meetings, please email her. This way she will have the correct email information when she gets ready to set you up for the zoom meetings.
- The individuals who were looking at the old high school building have notified Chuck that they will need to step back for now. They will not be able to do anything this year. Two (2) separate entities, Landmark Development and Mr. Gaskins, may still be interested in the high school. Chuck will reach out to both parties in the near future.
- Chuck wanted to commend all the employees for the wonderful job that they have been doing. Public Works employees have been trimming trees, removing shrubbery, cleaning up Red Hill Cemetery and working with water issues. Landscaping and planting flowering shrubs is planned for Red Hill Cemetery. Lawnmowers have been serviced and are ready for use. Chuck stated that Public Works will be hiring seasonal workers to handle the mowing and weed eating this summer instead of out-sourcing it. Chuck also said that Public Works has been dealing with a collapsed storm drain at the corner of Chestnut and Ingalls Streets. It will need to be replaced with a 36" storm drain line.

- The annual Alleghany Highlands Chamber of Commerce & Tourism Dinner will be held on Saturday, April 17, 2021 at The Greenbrier Resort. Please contact Kawahna if you would like to attend and how many seats will be needed.

PUBLIC COMMENTS (BEING READ INTO THE MINUTES ONLY FROM THOSE SUBMITTED PRIOR TO THE MEETING)

Evelyn Cooper signed in to the zoom meeting to state that she would like for Council to consider naming the newly build pavilion at Washington Park after Reverend Matthew T. Barnett. She would also like to request a dedication ceremony take place later in the spring. Chuck stated that this would need to be placed on the Action Items agenda for next month's Council meeting.

COUNCIL GOALS & OBJECTIVES FOR 2021-2022

Chuck stated that he reviewed the 5- year comprehensive plan as suggested by Councilman Goings. He said that there was a wealth of information in that plan, but Chapter 13 was what caught his attention the most. He suggested that each Council member read/ review Chapter 13 before coming together to discuss the goals and objectives. Mayor Marshall suggested for each Council member to do their own priority list of 2-5 goals, but to make them attainable goals that could possibly be completed within a short time.

COUNCIL COMMENTS

Councilman Umstead- Stated that he thought that this was the best zoom meeting so far. Mentioned that he had received his 1st Covid shot and that once he had received the 2nd shot and waited the required timeframe, he would start to attend the meetings in person again.

Councilman Goings- Stated that he knew Councilman Umstead did not want to be called 1st on the voting and if Umstead wanted him too, he would switch to first voting position. Councilman Umstead thanked Councilman Goings, but said that his wife talked him into staying just where he was regarding the voting list. He

said for everyone not to give up hope, to keep wearing your mask, social distance and get your shot when available.

Councilman Wolfe- Stated that this was the best zoom meeting we have had. Said that he was starting to settle into the councilman seat and he wanted to thank everyone for their patience. He said he was the one crying about having to vote first, because he was still learning the ropes. So far things have been great and he is enjoying being a councilman.

Vice Mayor Irvine- Wanted to thank everyone who listened in on the zoom meeting tonight. Wanted to send out a big thank you to Jared Jenkins and Chuck Unroe for all of their hard work with the Armory Committee and getting things switched to the Armory Authority. He stated that he wanted to quash the rumors floating around that the Committee is no longer in charge of the Armory, the Committee no longer has control of the money and the Town controls who books the Armory for events. He wanted to commend all the downtown businesses for cleaning the walks after this last snow fall. He said that it was so nice to see.

Mayor Marshall- Wanted to thank Public Works for all that they have been doing in town. She stated that she sees them working everywhere. She also wanted to commend them for what they have been doing up on Chestnut and Ingalls Streets with the storm drain issue. She mentioned that she did not realize the Police Department would assist Amtrak while they are in the station. She said that the conductor stated that Amtrak has had to call for police assistance about three (3) times. Wanted to thank Brooke Brackenridge and the City of Covington for working to get Council up and running with the zoom meetings. She is pleased with the recycling figures that Chuck reported on during the Town Manager's Comments. She is looking forward to the Easter parade and she stated that she would have her bonnet decorated and ready to wear. She has received her 1st Covid shot, with the 2nd one due on April Fool's Day. She also mentioned that she thought that this has been the best zoom meeting so far.

Public intoxication-5

Possession of marijuana w/ intent-2

These numbers represent the investigations opened. Some investigations may generate multiple charges against multiple defendants. Other cases may not result in any arrest due to the prosecution being declined by the Commonwealth Attorney and/or the victim. For an accurate count of arrests, please see page 2 of the monthly report.

The clearance rate for criminal investigations during the month of March was 76.1%. Some of these cases, while being cleared, have not generated an arrest yet due to the Commonwealth Attorney holding the charges for Grand Jury Indictment.

Cases of interest:

On March 28, 2021 Officer D.J. Creedon responded to the 500 block of Roxbury St. for a report of a domestic assault. Upon arrival he

located the victim at the residence with a laceration behind her ear and was advised that the male party left on foot prior to his arrival. Officer Creedon obtained statements and photographs of the victim and notified surrounding agencies on the description of the male party as well as his direction of travel. A short time later Officer Creedon located the male party near Selma-Low Moor Rd. on foot. At that time the male subject was taken into custody for domestic assault and battery as well as malicious wounding without incident.

On March 12, 2021 Officer E.L. Soto was on routine patrol when he conducted a traffic stop for a moving violation. After approaching the vehicle Officer Soto noticed an odor of alcoholic beverage coming from the driver. Officer Soto then conducted a set of field sobriety tests on the driver, in which he noticed several signs of intoxication. At that time the driver was taken into custody for driving under the influence of alcohol and transported to the CFPD for further processing without incident.

On March 1, 2021 Officers with the Clifton Forge Police Department conducted a vehicle stop on a wanted individual at the intersection of Rose St. and Keswick St. During the course of the stop the passenger was taken into custody on outstanding warrants and searched incident to arrest. During the course of the search a large package of marijuana was located which prompted a search of the vehicle. During a search of the vehicle multiple bags of marijuana were located. At that time the driver of the vehicle was also taken into

custody. Both subjects were then transported to CFPD for further processing without incident.

Monthly Report

Public Works Department

Public Works crew started working on the drainage issue on Ingalls and Oak Hill Ave., we realized this scope of the project was more that our equipment could handle so we contracted Aaron Conner LLC Construction to repair the problem. Time frame for completion should be around the second week of April.

Various alleys throughout town have been worked on filling potholes and ruts with the millings that we have stocked piled here at the Public Works Yard, we have also corrected some drainage issues.

Spring cleanup has begun on the Town's three (3) cemeteries, the entrances to all three have been cleaned up and mulched. We are waiting until the middle of April to add new plantings.

The recycle bin at Matthews Park now has a three (3) sided fence around it to help with trash blowing around.

Water/Sewer Crew has been busy with seven (7) sewer backups and three (3) water leaks.

Building & Grounds crews have been busy getting the ball fields & parks ready for the season.

Park restrooms have been reopened and being disinfected daily.

We had two (2) burials for the month of March.

Clifton Forge Public Library

Director's Report

February 2021

The library continued curbside service only during the month of February. Library staff remained available from 8:30 AM to 5:00 PM Monday through Friday to assist patrons by phone and to provide curbside service. Patrons were able to schedule 45 minute per session computer access. Patrons were able to schedule the use of three computers. They were able to check out books and DVD's via curbside. Patrons were also able to have copies, faxes, and scans done via curbside. The Library director and staff remained busy even with the limited public access to the building. The special curbside service had 64 patrons utilize it. The number of patrons checking out material remained lower than normal but e-book usage remained higher than usual. Returned materials continued to be placed in a quarantining and cleaning protocol for a 72 hour period. In addition to serving patrons, staff continued several much needed projects. Staff members continued working on completing backlogged book cataloging and weeding old items that had not been checked out for a lengthy period of time or were in bad condition. Staff members also continued an extensive updating of library series binders. This updating process has allowed the library staff to identify errors in the holdings, identify items that needed to be weeded from the collection and help identify items that needed cataloging updates. The Library Board and Friends of the Library postponed meetings until March 2021.

**Clifton Forge Water Plant
Monthly Operations Report
4.7.21**

Tony Kimberlin, Plant Manager

All related work associated with the dam repairs are quickly coming to an end. Power has been reinstated to the dam tower by Dominion power. H&M Electric is currently working to instal power in our new outbuilding that was constructed earlier this month, there are plans to install new lighting on the dam walkway.

Riddleberger has been onsite this week to check our boiler and to check the work that was done and still needing done by Potter. New windows in the lab, office and restroom are also scheduled to be installed.

The paving contractor is supposed to be back this month to redo our road. During construction the heavy loads of equipment damaged the pavement so they will return and repair the pavement..

The Water plant will have our yearly sanitary inspection on Thursday April 8th conducted by Virginia Health Dept.

We have our biyearly basin cleaning scheduled for later this month.

All regulatory testing yielded satisfactory results and no customer complaints were logged over the last month.
