

Ben Nicely

*Life History* - I grew up in Longdale Furnace and attended Clifton Dale Christian School for two years before transferring to Sharon Elementary School, then graduated from Alleghany High School in 1999. I lived in the County most of my life before moving to the Town in 2018. I have been close to the Town as several family members have owned and currently own small businesses here. It is my goal to also own and operate a small business a small business here in Town and provide a service for our great people. I currently reside in Clifton Forge, where I am raising my two daughters.

*Work History* – I worked one year for Nicely Contracting before enrolling at what is now Piedmont International University where I studied Basic Bible for one year. I then returned to the area and worked for A&A Exterminators from 2002-2006. Next, I joined CSX as a conductor and then a Locomotive Engineer in 2012. I left CSX in 2020 due to personal reason as well as pursue a new path in my life. I rejoined A&A Exterminators in 2020 and still there currently.
