The Called meeting for August 17<sup>th</sup> was at the request of the Community Gathering as they had many questions to be asked with the option to hear from all council members including Town Manager, Chuck Unroe. The Community Gathering managed to come up with 36 questions for council members and the town manager. Various questions were asked on many different topics such as vandalism, revitalization, future projects, updates, etc. Council answered 8 questions individually with their thoughts on each topic.

The council members and the town manager received all 36 questions via email and even though all questions could not be asked during the meeting they were all personally answered by Chuck and the council. Chuck mentioned at the beginning of the meeting that he would answer and comment on a few things once the meeting was adjourned.
